REPORT TO: EEG, laboratory, 8E, Room 12 Harbor-UCLA
Medical Ctr.

PREREQUISITES: Medicine, Neurology

AVAILABLE FOR EXTERNS: Yes

STUDENTS / PERIOD: max 1 min 1

DURATION: 3 weeks

2007-2008 ROTATIONS BEGIN WEEKS: 2, 5, 8, 11, 14, 17, 20, 27, 30, 33, 36, 39, 42, 45, 48

DESCRIPTION: Students will serve as neurological consultants to other services in the hospital. They will see the patient, evaluate the neurological problem, and write a consultation note. They will then review the case with a senior neurology resident and present the patient to the Attending Neurologist during consultation rounds. In addition, they will have the opportunity to participate in attending rounds on the Neurological Unit, evaluate patients in Neurology Clinic, and attend the combined Neurosciences Conferences.

DESCRIPTION: A didactic course will be presented emphasizing outpatient neurological services. Material will be designed to refresh knowledge of clinical neuroanatomy and provide instruction in the clinical localization of the disease processes. In addition to the lecture series provided, students will have an active role, under careful supervision, in patient evaluation.
