ON-CALL SCHEDULE & WEEKEND ACTIVITIES: Student takes calls with intern during day. Assists the interns and residents with inpatient workups on Sundays. Saturday 9:00 a.m., Teaching Conference. Tutorials with faculty.

ADDITIONAL COMMENTS AND OTHER SPECIAL REQUIREMENTS:

DESCRIPTION: This elective provides an in-depth experience in diagnosis and management of acute and chronic urological problems. In addition, specialty areas such as renal transplantation and pediatric urology will be covered. The student will be responsible for initial work-ups, operating room, tutorial sessions, and will have didactic lectures form the house staff and full-time faculty.
