Special Clinical Electives are electives designed by you and a physician with a UCLA faculty appointment. Special electives taken at UCLA or the affiliated hospitals will be given UCLA elective credit.

Non-UCLA Special Electives are permitted only with the approval of the Associate Dean for Student Affairs. Special electives taken away from the UCLA hospital campuses will count as part of the 12 weeks allowed for AWAY electives. Special clinical electives are coded as 800-level electives and may not count toward the twelve weeks of 300 or 400 level subinternships required for graduation.

Please allow approximately 10-14 business days for this application to be processed by the SAO so please plan accordingly. You will receive an e-mail when this request is approved.
